

Name:

Dr. Panos Gartaganis,MD,BSc,PhD

E-mail:

gartaganisp@gmail.com

Education

Medical School, University of Patras – PhD, 2020

Medical School, University of Patras – Doctor of Medicine (MD), 2016

Department of Chemistry, University of Patras – Bachelor of Science in Chemistry (BSc), 2009

Specialty

Ophthalmic Surgeon

Specialty Title in Ophthalmology, 2023

Department of Ophthalmology, 251 Hellenic Air Force General Hospital, Athens

Postgraduate Degrees – Theses

Doctoral Thesis (PhD) – Medicinal and Pharmaceutical Chemistry, Medical School, University of Patras

Thesis Title:

“Study of Parstatin in Ocular Cells. In vitro Cytotoxicity Study in Retinal Cells”

Clinical Experience

2026 – present

Consultant Ophthalmologist

Mediterraneo Hospital, Athens

2025 – 2026

Senior Clinical Fellow – Medical Retina, Uveitis & Cataract Surgery

Western Eye Hospital – Imperial College Healthcare NHS Trust, London

2024 – 2025

Junior Clinical Fellow – Medical Retina, Uveitis & Cataract Fellow

Western Eye Hospital – Imperial College Healthcare NHS Trust, London

2018 – 2023

Ophthalmology Resident

251 Hellenic Air Force General Hospital, Athens

2017 – 2018

Rural Service Physician

Regional Medical Center of Nea Figaleia & General Hospital of Pyrgos, Ilia, Greece

Scientific Activity

Participation in national and international ophthalmology conferences.

Authorship and co-authorship of scientific publications in international peer-reviewed journals.

Presentations of scientific research at national and international ophthalmology conferences, receiving three international awards for best presentation.

- Member of the Hellenic Ophthalmological Society
- Member of the Hellenic Society of Intraocular Implant and Refractive Surgery (HSIOIRS)
- Member of the European Society of Cataract and Refractive Surgeons (ESCRS)
- Member of the American Society of Cataract and Refractive Surgery (ASCRS)
- Member of the European Society of Retina Specialists (EURETINA)
- Member of the American Academy of Ophthalmology (AAO)
- Member of the Association for Research in Vision and Ophthalmology (ARVO)

Research Activity

Author and co-author of 21 publications in international peer-reviewed scientific journals.

Participation as sub-investigator in international multicenter ophthalmology clinical trials.

Member of the research team of the Department of Chemical Engineering, University of Patras, studying the calcification of hydrophilic intraocular lenses.

Special Clinical Interests

Cataract Surgery

Retinal Diseases

Intraocular Inflammation (Uveitis)

Age-Related Macular Degeneration

Diabetic Retinopathy

Intravitreal Drug Injections
